### **Proposed Work: Servicing / Checking / Repairing / Replacement of spares as required (Excluding DVR/NVR & Hard Disc) / Testing of all units at each location/site**

#### **Terms & Conditions of Contract**

(To be returned duly filled with your quotation as acceptance of T&C)

- 1. Work to be done under the contract:** AMC shall cover all Software/Hardware items, accessories, Spares and Consumables. Thoroughly cleaning & checking of each system in every quarterly PM visit, replacement of defective part (if any) found during servicing, CC TV has UPS connection, Date & Time displayed, Recording of Data available, Space available in Hard Disk etc. after Testing at location. In the event of replacement of any part of the system, it should be done with a part equivalent or higher configuration which is compatible with the system. No work will be undertaken on Saturday, Sundays and Holidays except prior permission of competent authority. The technician shall inspect the equipments thoroughly at least once in every quarter as a part of preventive maintenance and perform his duties as follows:
  - A. The technician will check the camera view, clean the lens and ensure focusing is correct.
  - B. He will tighten the loose contact of the complete system including wiring, if any and set right the defects or repair or put back the system to working condition.
  - C. CCTV recording has to be continuous to ensure uninterrupted coverage. Therefore CCTV DVR should invariably be provided uninterrupted power supply. So it has to be connected to the UPS of the Branch.
- 2.** During the Branch visit the technician shall record the following in the service book, which shall be verified and confirmed by the Manager/Office-in-charge.
  - A. CCTV System: If found any mal-functioning of the component.
  - B. Any other remarks regarding the electrical system.
  - C. Any steps to be taken by Branch for working of System.
- 3.** Your representative will give a detailed demonstration to the Branch Staff about functioning of CCTV Systems including checking the real time recording and proper backup and precautions to be observed at Branch level for its effective utilization and serve desired purpose.
- 4.** The firm/company should have a proper communication system and a complaint number that should be given to attain the complaints from Branches/Satellite Offices/Divisional Office.
- 5.** The technician who will visit the Branches will carry a valid identity card issued by the concerned firm/company and he will produce the same to the Branch authorities before commencing the work.
- 6. Validity of Tender Rate:** Tendered rate must be valid for 3 years. Initially the CAMC contract will be for one year. However after satisfactory completion of first year It may be further extended for 2 tenure of one year each, subject to satisfactory services rendered by vendor in last CAMC period & on consent for renewal of contract on original rate and accepted terms & conditions on mutual consent. Corporation reserves the right to terminate the contract by giving 30 days notice without assigning any reason thereof.

- 7. Tender Fee (Non Refundable):** The bidder has to deposit **an amount of Rs. 118/- (Rupees One Hundred Eighteen only)** inclusive of GST towards Tender Fee **(Non Refundable)** by way of Demand Draft drawn in favor of "LIC of India" payable at Bilaspur or to be deposited in cash at our cash counter in F&A department and copy of receipt should be produced and submitted before issue of tender.
- 8. EMD:** All bidders have to deposit an amount of Rs. **2 0 0 0 / - as EMD** with their tender. Tender without EMD will not be considered. After finalization of tender EMD will be returned to bidders by way of NEFT only without Interest.
- 9. Exemption of EMD:** For exemption of EMD, the firm has to submit valid NSIC/MSME registration copy.
- 10. Security Deposit:** Successful bidder has to deposit an **amount equals to 10% of CAMC charges (excluding GST). SD will be retained by LIC up to the end of** contract period or warranty period of last service (whichever is later). LIC can consider the amount of EMD as SD subject to deposit of difference amount of SD by successful bidder.
- 11.** No interest whatsoever shall be payable on the EMD or SD.
- 12. Termination of Contract:** If it is observed during AMC contract vendor frequently remains to fail keeping all machines in order or delay in service or delay in attending break down call without any reason, the condition may lead for termination of the contract. The Corporation reserves the right to terminate/cancel the whole or part of the agreement at their sole discretion after giving 30 days notice to the service provider. If the contract is terminated by the service provider, it would be liable for penalty which shall be forfeiture of Security Deposit.
- 13. Payment condition:** Payment of CAMC will be made by NEFT only by the Divisional office Bilaspur, on **Quarterly basis** at the end of quarter on submission of bill along with duly signed and stamped Service Call Reports mentioning the total no. of machines serviced and counter signed by the Officer-in-charge/any official of the branch of all locations.
- 14. The Location wise list of total installations (Annexure-C) is provided with tender for reference.**
- 15.** The Corporation reserves the right to increase or decrease the quantity to be serviced up to 25 percent during the currency of contract at the contracted rates. Bidders are bound to accept the orders accordingly.
- 16. Liability of vendor & L.I.C.** - Unless otherwise instructed, the Service engineer will visit all the sites for maintenance & contact to the responsible person of branch OS Department. Also the workman should be insured properly to safeguard LIC for any mishap to the workman during the course of maintenance within our premises; LIC will not be responsible for any accidental risk associated with maintenance of the machines. Also any damage caused due to malfunctioning or during the maintenance will be made good by the vendor.
- 17.** If the systems' defect is attributable to mishandling, negligence, damage due to rodents, high neutral to earth voltage or operation by unauthorized staff, the vendor will not be liable to repair the same under the contract. The vendor under such circumstances shall charge extra for spare & service rendered.

- 18.** If the damage to the CCTV System is due to power fluctuations or physical damage due to mishandling by LIC personnel or the damage by external factors, LIC would bear the cost of the parts damaged but the onus of proving this will be on the vendor. However, the vendor will be required to provide immediate system/solution as standby with same configuration or higher and with all services restored as if it is a normal breakdown.
- 19.** Whenever any equipment is taken out of from LIC site for repair, the same piece has to be returned after repair unless it is declared to be irreparably damaged. When any CCTV equipment is taken out of any LIC Office for repair, such shifting should be done with the prior permission of the In-charge of the concerned office, as the case may be, and the vendor shall make all arrangements for removal of the equipment, its transportation to the workshop and back to LIC's site and its reinstallation. Transit Insurance of such equipment also has to be arranged by the vendor and all expenses for the above shall be borne by the vendor. The vendor shall hand over the systems in 100% working condition after repair /maintenance / rectification. Thereafter, the vendor shall reinstall the same machine after repair unless it is declared to be irreparable.
- 20. PENALTY CLAUSE:** Vendor has to ensure minimum Qly one PM visit at every site so that all machines are kept working during every quarter. **If the Qly servicing will not be provided to any System, then Rs. 500/- per System will be Charges as Penalty and Quarterly Service Charges will also be not payable for that System.** If at any location any machine got breakdown, Intimation will be sent to service provider/vendor over telephone/Mobile/via email by user.
