## LOYALTY ADDITION $\rightarrow$

The loyalty addition rates in respect of the plans given below will apply to all maturing policies after remaining in force for full sum assured and also to all policies discounted in the last policy year of the policy. The loyalty additions are payable in case of death claims also. These rates are applicable during the period commencing from $1 / 1 / 2009$ and ending 9 months from the date of next valuation where date of maturity /discount or death is on after 1/1/2009 to 31/12/2009.

| Bima kiran | 111 | 15 to 19 yrs | $25 \%$ of premiums paid <br> less any extra premiums <br> paid |  |

## NOTES $\rightarrow$

1) A loyalty addition is NOT payable for policies which are surrendered. But it is payable if policy is discounted in last policy year provided last year's premiums have remained to be unpaid.
2) In the case of policies with mode of payment of premiums other than yearly, unpaid premiums if any, falling due before the policy anniversary are deducted from the claim amount. Hence they should be treated to have been received for this purpose and accordingly loyalty addition will be paid taking the new duration.
3) In case of maturity claims, if no premiums have been paid during the last policy year, but the policy was in force for full sum assured on the policy anniversary prior to the maturity date. The claim is paid for full sum assured on the maturity date along with guaranteed addition, reversionary bonus and interim bonus sub to the deduction of the unpaid instalment of premiums with interest, if any, for the last year of policy. Such policies will be eligible for payment of loyalty additions for full sum assured if other qualifying conditions stated herein are satisfied.
4) Where a policyholder discounts the policy within one year preceding the date of maturity, the policy will be eligible for loyalty additions provided policy is in force as on date of discount or policy is in force on last policy anniversary prior to date of maturity and o/s premiums are deducted.
5) The policies for which death claim is payable as per claims concession clause ,the loyalty additions would be payable provided other qualifying conditions are satisfied.
6) In case of Komal Jeevan plan, the duration elapsed is reckoned from the date of commencement of risk. In short, loyalty addition is payable ,if risk has commenced under the policy.

## FINAL (ADDITIONAL) BONUS PER 1000 SUM ASSURED FOR POLICIES

In addition to simple reversionary bonus and interim bonus, FAB is also payable in respect of participating policies resulting into claims by maturity or claim discounted or death claims
during the period commencing from $1 / 1 / 2009$ and ending 9 months from the date of next valuation, provided they are kept in force for full sum assured till the date of maturity or the date of discounting or the date of death as the case may be.
