- a) For the period for which full years' premiums have been paid: The Guaranteed Additions accrued under the policy with the rate as applicable under an in-force policy shall remain attached under the policy.
- b) For the policy year for which the full years' premiums have not been paid (the year in which the policy becomes paid-up) and for subsequent years: The Guaranteed Additions shall be as under:
 - (i) For the policy year for which full year's premiums have not been paid, the Guaranteed Additions shall accrue at the end of that policy year and shall be sum of proportionate Guaranteed Additions for in-force period with the rate as applicable for an in-force policy and proportionate Guaranteed Additions for the period the policy is paid-up with the Rate of Guaranteed Additions applicable for paid-up policy (as mentioned below).
 - (ii) For subsequent policy years during the Policy Term, the Guaranteed Additions shall accrue at the end of each completed policy year with the Rate of Guaranteed Additions applicable for paid-up policy (as mentioned below).

The Rate of Guaranteed Additions applicable for paid-up policy shall be equal to applicable Rate of Guaranteed Additions for an in-force policy(as specified in Para 3.D) multiplied by the ratio of total period for which Annualized premiums have already been paid to the maximum period for which premiums were originally payable.

This rate of Guaranteed Additions applicable for paid-up policy shall remain the same under a paid-up policy.

The Guaranteed Additions applicable for a paid-up policy that shall accrue at the end of each policy year shall be equal to Rate of Guaranteed Additions applicable for a

In case of Death under the paid-up policy, the reduced Guaranteed Additions for the policy year in which the policy resulted in Death claim will be added on proportionate basis in proportion to the completed months for the Policy Year in which policy resulted in death claim (i.e. the period upto the date of death).

The policy so reduced shall thereafter be free from all liabilities for payment of the within mentioned premiums.

The Guaranteed Surrender value payable during the policy term shall be the total premiums paid (excluding extra premiums, taxes, rider premium(s), if opted for and taxes , if collected explicitly) *multiplied* by the Guaranteed Surrender Value factors applicable to total premiums paid then reduced by any survival benefits already paid under the policy. If Survival Benefit Deferment Option has been exercised and payment of such Survival Benefit(s) which were due but have not been paid, the Guaranteed Surrender Value shall be reduced by such survival benefit(s) not paid.

SECTION 45 OF THE INSURANCE ACT, 1938

The provision of Section 45 of the Insurance Act, 1938 as amended from time to time shall be applicable. The current provision is as under:

- (1) No policy of life insurance shall be called in question on any ground whatsoever after the expiry of three years from the date of the policy, i.e. from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later.
- (2) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later on the ground of fraud:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision is based.

Explanation I- For the purposes of this sub-section, the expression “fraud” means any of the following acts committed by the insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:-

- a) the suggestion, as a fact of that which is not true and which the insured does not believe to be true;
- b) the active concealment of a fact by the insured having knowledge or belief of the fact;
- c) any other act fitted to deceive; and
- d) any such act or omission as the law specially declares to be fraudulent.

Explanation II- Mere silence as to facts likely to affect the assessment of the risk by the insurer is not fraud, unless the circumstances of the case are such that regard being had to them, it is the duty of the insured or his agent, keeping silence to speak, or unless his silence is, in itself, equivalent to speak.

- (3) Notwithstanding anything contained in subsection (2), no insurer shall repudiate a life insurance policy on the ground of fraud if the insured can prove that the misstatement of or suppression of a material fact was true to the best of his knowledge and belief or that there was no deliberate intention to suppress the fact or that such misstatement of or suppression of a material fact are within the knowledge of the insurer:

Provided that in case of fraud, the onus of disproving lies upon the beneficiaries, in case the policyholder is not alive.

Explanation – A person who solicits and negotiates a contract of insurance shall be deemed for the purpose of the formation of the contract, to be the agent of the insurer.

- (4) A policy of life insurance may be called in question at any time within three years from the date of issuance of the policy or the date of commencement of risk or the date of revival of the policy or the date of the rider to the policy, whichever is later, on the ground that any statement of or suppression of a fact material to the expectancy of the life of the insured was incorrectly made in the proposal or other document on the basis of which the policy was issued or revived or rider issued:

Provided that the insurer shall have to communicate in writing to the insured or the legal representatives or nominees or assignees of the insured the grounds and materials on which such decision to repudiate the policy of life insurance is based:

Provided further that in case of repudiation of the policy on the ground of misstatement or suppression of a material fact, and not on the ground of fraud the premiums collected on the policy till the date of repudiation shall be paid to the insured or the legal representatives or nominees or assignees of the insured within a period of ninety days from the date of such repudiation.

Explanation - For the purposes of this sub-section, the misstatement of or suppression of fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer, the onus is on the insurer to show that had the insurer been aware of the said fact no life insurance policy would have been issued to the insured.

- (5) Nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal.

PROHIBITION OF REBATES (SECTION 41 OF THE INSURANCE ACT, 1938)

- 1) No person shall allow or offer to allow, either directly or indirectly, as an inducement to any person to take out or renew or continue an insurance in respect of any kind of risk relating to lives or property in India, any rebate of the whole or part of the commission payable or any rebate of the premium shown on the policy, nor shall any person taking out or renewing or continuing a policy accept any rebate, except such rebate as may be allowed in accordance with the published prospectuses or tables of the insurer.
