Re: Administrative approval for Extension of empanelment of firms/suppliers/service provider/Printers

We have issued notice for empanelment of vendors on 09.10.2025 through news paper advertisement and our website for twenty eight different service and printing works . The last date of submission of empanelment is 03.11.2025. But till date we have not received sufficient application for empanelment . We received only 31(thirty one) application for empanelment. As such we propose to extension the said empanelment for another 10(ten) days ie upto 3.00 pm on 13.11.2025 .

Put up to Sr Divisional Manager for his kind approval.
