एसएलए विवरण SLA Details			
SERVICE LEVEL AGREEMENT (SLA) and SPECIAL TERMS AND CONDITIONS (STC) FOR LEASING SERVICE OF DG-SET/POWER GENERATOR			
1. Preamble 1.1 All Leasing Service of DG Set/Power Generator/Power Generator contracts placed through GeM shall be governed by following set of Terms and Conditions: 1.1.1 General terms and conditions for Goods and Services; 1.1.2 Service STC and SLA contained in this document; 1.1.3 BID / Reverse Auction specific ATC. 1. The above terms and conditions are in reverse order of precedence i.e. ATC supersedes Service SLA and STC which supersede GTC, in case of any conflicting provisions. 2. The above set of conditions along with Scope of supply including price as enumerated in the Contract Document shall be construed to be part of the contract. 3. This document represents a Service Level Agreement ("SLA") governing the contract between the Buyer and Service Provider. The purpose of this document is to outline the scope of work, Stakeholder's obligation and terms and conditions of all services covered as mutually understood by the stakeholders.			
2. Stakeholders The main stakeholders associated with this SLA are: 1. Service Provider 2. Buyer 3. Payment Authority The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses payment terms and penalties in case of non-adherence to the defined terms and conditions. It is assumed that all stakeholders would have read and understood the same before signing the SLA.			
3. Service Scope, Seller's Obligation, Buyer's Obligation And Special Terms & Conditions Service Scope The purpose of this agreement is to facilitate DG Set/Power Generator/Power generator Leasing Service. The Service Provider would provide the required equipment and technical manpower/operator for the specified period as per the requirements of the buyer. Location of DG Set/Power Generator where it is to be installed 1. Basement 2. Ground Floor 3. Rooftop Type of Lease: 1. Wet Lease(with Fuel) 2. Dry Lease (Without Fuel) Lease Period Time: 12, 24, 36, 48, 60 Month There are following types packages are covered in this services(Buyer may select any one as per their requirements).			

1. Package 1(30 running hours per month).
2. Package 2(60 running hours per month)
3. Package 3(90 running hours per month)
4. Package 4(120 running hours per month)
5. Package 5(100 kWh per month)
6. Package 6(200 kWh per month)
7. Package 7(300 kWh per month)
8. Package 8(500 kWh per month)

- There are following Types Duty hours for technical manpower/operator defined in this Services:

- 8 hrs/day
- 10 hrs/day
- 12 hrs/day
- 24 hrs/day

- **Buyer's Obligations**

1. Buyer shall nominate a Nodal officer from its organization to coordinate with Service Provider to facilitate installation/commissioning of the DG Set/Power Generator.
2. The buyer shall provide adequate space and access to the authorized personnel of the Service Provider to work in the specified area
3. The Buyer Department will provide a hard/soft copy indicating the General layout/drawing of the designated place, position (level from the ground) and address where the DG Set/Power Generator has to be deployed.
4. All the wiring up to distribution board//changeover switches shall be responsibility of buyer. The distribution board/changeover switches shall be responsibility of the Buyer. The distribution boards/ changeover switches shall be located in closed vicinity within 30 minutes of the site/ designated place where the DG Sets/ power generator is required to be installed.
5. Buyers shall ensure availability of suitable platform/earthing etc. involving civil work at his/her own cost.
6. In case running of the DG set/Power generator beyond the applicable working hours/Duty hours, permission for the same in writing shall be provided.
7. Suitable exhaust pipe/stack to comply with requirements of GSR 489 (E) dated 09.07.2002 / latest amendments of Environmental Protection Act, 1986, shall also be provided in case of contract without add-on item/service of exhaust piping.
8. **Buyer must ensure that the service provider complies with the Rule 144(xi) of General Financial Rules (GFR), 2017 and the product supplied, if any, must also comply with Make In India guidelines of DPIIT**

Price Variation Clause:

"It is advisable to include Price Variation Clause in the long term contracts to take care of the increase/decrease in prices of various ingredients which majorly affect the overall price of the service. Buyers are therefore advised to include the Price Variation Clause (PVC) in the bid document through ATC for long term contracts. The additional payment, if any, on account of PVC can be done offline till such time online functionality is developed on GeM."

- **Service Provider's Obligations**

The scope of work of the Service Provider shall include the following:

1. The Service Provider shall not transfer or assign or sublet any part of the service once agreed or any share or interest here in any manner or degree directly or indirectly to any person, firm or corporation whatsoever.
2. To supply DG Set/Power Generator of Specified Rating (KVA), Specified Phase of Specified make voltage with all the essential accessories, instruments etc. and install the same at the designated place (at the roof top / basement) on buyer's premises at its own cost.
3. To supply, install and connect with the DG Set/Power Generator, an exhaust pipe of appropriate specification at its own cost, so as to ensure minimal decibels of noise, which must be compliant with all the applicable norms stipulated by any concerned regulatory authority/ Government department.
4. The service provider is responsible for transportation, loading & unloading of the DG Set/Power Generator/Power generators along with accessories/exhaust pipe etc. and installation of the same at the designated place.
5. Repairing of any damage to the underlying property during loading, unloading, lifting, installation etc. of the DG Set/Power Generator/Power Generator.
6. To obtain on behalf of the buyer, all approval(s) or permission(s) as may be required to be obtained from any regulatory authority/ Government department for the installing and operating the DG Set/Power Generator/power Generator. However, the requisite fees, if any, payable to the authorities at the prescribed rates for obtaining such approvals/ permissions will be reimbursed to the Contractor by the buyer against furnishing proper proof of payment.
7. **To complete the installation work and make the DG Set/Power Generator/Power generator functional within the specified period from the date of signing of the Contract.**
8. **To operate and maintain the DG Set/Power Generator in good running condition post-installation at all times during the Contract validity period, so as to ensure that the Buyer is able to avail uninterrupted power back up of specified KVA, specified phase, at all times during power supply failure. (In case of any major break-down of the DG Set/Power Generator requiring substantial repairing time, alternative interim arrangements shall be made by the Contractor within 24 hr by providing a substitute DG Set/Power Generator of identical capacity at its own cost.**
9. To procure and make available at its own cost, all the essential lubricant oils, filters, belts, hoses, other spare parts etc., as may be required from time to time for the running and maintenance of the DG Set/Power Generator.
10. To deploy at its cost, well trained mechanic from time to time, on need basis, for carrying out periodic service and for rectifying any defects in the DG Set/Power Generator, as may be required.
11. To deploy at its cost, well trained personnel/operator to remain available during the duty hours for operating the DG Set/Power Generator.
12. Compliance with the applicable labor laws shall be the sole responsibility of the Contractor. The buyer shall not be deemed to be the employer or the principal employer of the personnel deployed by the Contractor for executing the work on its behalf.
13. Providing/constructing suitable exhaust pipe/stack to comply with requirements of GSR 489 (E) dated 09.07.2002 / latest amendments of Environmental Protection Act, 1986, in case of contract with add-on item/service of exhaust piping.
