- **St. George Balikagram –Western Zone- Pune DO I**

St. George Balikagram was formed in 1993 with an objective of helping the female children of leprosy patients coming from across the country towards their education. St. George Balikagram is working towards education and upliftment of female children of leprosy patients from the economically backward and weaker communities of the Society by providing them proper education. The institution takes care of these children up to their marriage and getting them settled in life. St.George High School is having around 1000 students from Nursery to Std.X. Children come from outskirts of Mamurdi Village. Over 50 female children of leprosy patients from 3 years to 18 years from various castes, religion and regions , not affected by leprosy are the inmates of this Balikagram who study in various classes from LKG to Std XII at St. George English School, managed by Balikagram. Free education is provided up to Std. X. Those who study in STD XI and XII are admitted to the nearby Junior College. The School had requested for funds to purchase one 38 seater Tata Star School Bus for travel arrangements for coming to school.

Financial assistance of Rs 23,00,179/- has been provided for purchase of school bus.

- **Amhi Sevak Sevalay – Western Zone - Aurangabad DO.**

Amhi Sevak Sansthan, Latur founded the shelter home ‘Sevalay’ in 2007, a home for HIV infected poor children to provide such children with food, shelter clothing, medical treatment, education and normal life. Sevalay provides health care, education and residential facilities to 85 children living with HIV/AIDS since past 11 years. There are 15 teachers and staff to take care of these students and they are provided all services free of cost. All the students are between age group of 6-24 years. For primary and higher education students have to travel from shelter home in Hasegaon to different schools in Latur. Up to standard X, education is available near Hasegaon and the average distance is 2 Km. Higher / technical education is available only at Latur District level, which

requires on an average 18 km travel from the shelter- home. Amhi Sevak Sevalay had requested grant for Purchase of School Bus.

Financial assistance of Rs 20,00,000/- has been provided for purchase school bus.

- **Jodhpur Adarsh Shikshan Sansthan, HO- Bhinmal – North Zone, Jodhpur Division.**

Adarsh Shikshan Sansthan, HO- Bhinmal was registered in 1986-87 and has affective presence in Jalore District. Institute is presently running 31 Adarsh Vidhya Mandir schools across Jalore District. The Institute spreads quality education to inculcate patriotism, promote primary, middle & secondary education, yoga & sports activities for all round development of students. They also conduct cultural & patriotic camps for weaker sections at free of cost. Adarsh Shikshan Sansthan has an affective presence in Jalore District. A new building is under construction which is 1.5 Kms away from the main village. After completion of the building, 8 villages would be benefitted. Hence, they have submitted a proposal for a school bus to be used for travel arrangements of students from nearby villages to come to school.

Financial assistance of Rs18,85,550/- has been provided for purchase of School bus.

- **Ek Pahel -B.R. Memorial Welfare Society – North Central Zone, Agra DO.**

Ek Pahel -B.R. Memorial Welfare Society was founded in 2009 by a team of youngsters in Agra who had the zeal to transform the lives of the less fortunate. EK Pahel believes that 'Quality Education' is a key to empower children and remove poverty in a single generation. With the aim to catalyze education among underprivileged children, they started a project called 'Prakashpunj'. Ek Phael is working for Improve the infrastructure of "Prakashpunj- Ek Pahel Pathshala" with special focus on Increasing the number of classrooms so as to run parallel classes for students of different age groups. Construct large play grounds, Construct hygienic washrooms, Start yoga classes for children, Facilities and equipments for outdoor sports, Arrange a van for providing pick and drop facilities to the students coming from far off places, Sponsor education of more number of high potential students in good recognized schools. Hence society has requested funds for purchase of school bus which will cater to children (500 approx) of weaker sections of the society to pick up & drop them from their home to school and vice versa.

Financial assistance of ` 22,03,820/- has been provided for purchase of school bus.

- **Keladi Vidya Samsthe –Bharathi High School –South Central Zone - Shimoga DO..**

Bharathi high school Keladi was started in 1963. There was no high school education facility for the people of Keladi, Masura, Malve and Hirenellur gram panchayath range. At that time the children especially girls of economically backward families were out of high school education. Hence at bandagadde which was the centre for all these villages, Bharti High School was started by Keladi Education Society. Approximately 50 to 80 students are passing SSLC exams every year from this school. High School achieved 100% result in S.S.L.C this year. Under the scheme of AKSHARA Dasoha institute is providing mid day meal to students. School has 127 students and no fee is charged from the SC & ST students. There are 6 teaching and 1 non teaching staff. Salary of staff is given by the Government. Keladi Vidya Samsthe Bharathi High School has requested funds for construction of Laboratory and Library at ground floor of their building which would be helpful for education of rural children.

Financial assistance of Rs 25,00,000/- has been provided for construction of Laboratory and Library building at ground floor.

- **Trimurti Vikas Mandal- Trimurti Madhyamik Vidyalaya Shirvande –, Western Zone - Kolhapur DO.**

Trimurti Madhyamik Vidyalaya Shirvande initially started classes in June 1993 in one of the villager's house. Now they have a school building consisting of 7 class rooms, science lab, gym, 2 bore wells and a big playground. Approximately 700 students have passed out after SCC since inception. They are not charging any fees from students and the aid received from Govt. is not sufficient to pay salary of school staff and meet day-to-day expenses. The School is on the top of a hill and away from locality and is surrounded by jungle on two sides. There is always a threat of wild animals attacking students. Hence a compound wall of 830 running meters is being constructed around the school out of which 250 metres construction has been completed using local MLA/MP funds. They have requested funds of Rs. 23.06 lakhs for construction of compound wall for the remaining 580 meters.

Financial assistance of Rs 23,06,000/- has been provided for construction of compound wall .
