- **Shri Sanatan Dharam Mahabir Dal, Karnal – North Zone, Karnal Division .**

S D Mahabir Dal Hospital Karnal is a 49 bedded charitable multispecialty hospital and dedicated to the economically weaker people of the region. The hospital is equipped with all health care facilities like CT scan, Ultrasound, Echocardiography, Color Doppler, TMT, Digital X Ray Machine, Latest Lab Machinery, ECG, Multi Para Monitor, C-Pap, Bi-Pap,

Surgical Instruments, Laparoscopic Surgical Instruments, Endoscope and other life saving instruments. It gets 60% funds from donors and 40% funds from patients. It is catering to all types of medical needs of the poor, needy and rural people of Karnal as well as rural areas such as dental, gynecology , ENT etc.

Financial assistance of Rs 22,20,000/- has been provided for Purchase of Ultra Sound Machine & 3 ICU Beds with Ventilators.

- **The Leprosy Mission Hospital, Naini – Unit of The Leprosy Mission Trust India - North Central Zone, Allahabad DO.**

The Leprosy Mission Hospital, Naini treats all aspects of leprosy complications and provides general treatment. The hospital has a community outreach programme in schools and tribal villages. This is done through networking with the government and other NGOs. The hospital supports people affected by leprosy and members of marginalized communities and tribals in accessing government social welfare schemes for education, economic development, healthcare, housing, insurance, livelihood pension, etc. A total of 137 patients were seen through hospital outreach activities. Hospital has 20 Doctors and 90 other staff. They are treating average 300-400 patients per day and they do not charge any amount from leprosy patients and from General Patients Rs140 is charged as fees. The inability of the patients to work optimally robs them of their continued source of income so they are caught in the vortex of poverty, The cost of transportation is an inhibiting factor for them to visit the hospital thereby compromising on their well being but they somehow come to the hospital where they are admitted for 15-20 days. After treatment, the Hospital facilitates their going back by hiring local transport. This becomes costly for them. Hence they have requested funds for good ambulance with seating space which will help the patients to be dropped to their respective villages.

Financial assistance of Rs 18,67,790/- has been provided for purchase of Ambulance.

- **Ramakrishna Mission- North Central Zone, Lucknow DO.**

The Ramakrishna Mission Sevashrama, are mostly directed towards educational, medical and health sectors for giving relief to the ailing and sick through Vivekananda Polyclinic which is now a multi facility hospitals well as the Rural Health Programmes carried on in the adjoining villages. - **Tribhuvandas Foundation –Western Zone- Nadiad Division.**

Tribhuvandas Foundation was registered as a Charitable Trust under the Public Trust Act 1950, in July 1975. It derives its uniqueness from the fact that it is a need-based programme for villagers and is run by the villagers themselves. It fulfills the basic health care needs of the villages. Apart from providing primary treatment for various common ailments, it is also actively involved in promoting preventive health practices. It is headquartered at Anand with sub-centers spread over the districts Anand and Kheda. It has a dedicated team of Medical Officers, Nurses, Administrative Staff and Village Health Workers. Today, Tribhuvandas Foundation is one of the Asia's Largest Community Health Care Service Providers that covers more than 850 villages. Tribhuvandas Foundation has requested funds to upgrade the current LIC GJF granted USG machine with 3D USG machine (Sonography Machine and Cell Counter for Haematology). With this foundation would be able to provide better services in ultrasonography and lessen the chances of missed detection of foetal abnormality. With the upgrade, LIC GJF and LIC would continue to play a nurturing role, which has been ongoing since 2012-13, when the earlier machine was sanctioned by LIC GJF.

Financial assistance of Rs 15,77,300/- has been provided for Sonography Machine and for Cell Counter for Haematology
