**M/s, Antares System, Sri Krishna Nagar, Road No. 25, M/22, Building, 1st floor, Patna – 800 001.
(Contract person Sri Santosh Kumar Singh- 7763816416, Sri Rakesh Kumar – 97714 14548).**

2.3 The contractors may obtain Class-III digital certificate from any Certifying Authority or Sub-certifying Authority authorized by the Controller of Certifying Authorities or may obtain information and application format and documents required for the issue of digital certificate from:

Ref: JDO/DG Set/GUMLA BO & DO Bldg/Tender

Date: 20.07.2023

2.4 Bid for a particular tender may be submitted online using the digital certificate, which is used to encrypt the data and sign the hash during the stage of bid preparation & hash submission. In case, during the process of a particular tender, the user loses his digital certificate (be it due to virus attack, hardware problem, operating system or any other problem) he will not be able to submit the bid online. Hence, the users are advised to keep a back up of the certificate and also keep the copies at safe place under proper security (for it's use in case of emergencies).

2.5 If the digital certificate issued to the authorized user of a firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate/ power of attorney/ lawful authorization to that User. The firm has to authorize a specific individual through an authorization certificate signed by all partners to use the digital certificate as per Indian Information Technology Act 2000. Unless the certificates are revoked, it will be assumed to represent adequate authority of the user to bid on behalf of the firm in Life Insurance Corporation of India, Kolkata tenders as per Information Technology Act 2000. The digital signature of this authorized user will be binding on the firm.

2.6 In case of any change in the authorization, it shall be the responsibility of management/ partners of the firm to inform the certifying authority about the change and to obtain the digital signatures of the new person / user on behalf of the firm / company. The procedure for application of a digital certificate however will remain the same for the new user.

2.7 The same procedure holds true for the authorized users in a private/ public limited company. In this case, the authorization certificate will have to be signed by the directors of the company.

3 Set up of machine:

In order to operate on the electronic tender management system, the user's machine is required to be set up. The machine must have running XP service Pack 3 or higher version of Windows like Vista or Window 7. Also need to install Mozilla Fire fox web browser and latest Version of Java. This can also be downloaded from the portal <https://www.tenderwizard.com/LIC>

4 Online Viewing of Detailed Notice Inviting Tenders:

The contractors can view the detailed N.I.T and the time schedule (Key Dates) for all the tenders floated through the electronic tendering system on the portal <https://www.tenderwizard.com/LIC> **For Tendering related issues please contact to Helpdesk No. 08040482140/133/121**

5 Download of Tender Documents:

The tender documents can be downloaded from the Electronic Tendering System through the Portal <https://www.tenderwizard.com/LIC>

6 Key Dates: The contractors are strictly advised to follow dates and times as indicated in the Notice Inviting Tenders. The date and time will be binding on all contractors. All online activities are time tracked and the system enforces time locks that ensure that no activity or transaction can take place outside the start and end dates and the time of the stage as defined in the Notice Inviting Tenders.

7 Submission of bids will be preceded by submission of the digitally signed bid seal (Hash) as stated in the time schedule (Key Dates) of the Tender.

8 Generation of Super Hash:

After the submission of Bids (Hash) by the Contractors, the bidding round will be closed and a digitally signed Super Hash will be generated by the authorized officers of Life Insurance Corporation of India. This is equivalent to sealing the tender box.

9 Submission of actual online bids:

Contractors have to submit their encrypted bids online for which they generated the hash at the stage of hash generation & submission after the generation of Super Hash. The process is required to be completed within the date and time as stated in the Notice Inviting Tenders (Key Dates). The electronic bids of only those contractors who have submitted their bid seals (Hashes) within the stipulated time, as per the tender time schedule (Key Dates), will be accepted by the system. A contractor who does not submit his bid seal (Hash) within the stipulated time will not be allowed to submit his bid.

Note: - Bidders participating in e-tendering shall check the validity of his/ her Digital Signature Certificate before bidding in the Tenders floated online at e-tendering portal i.e. <https://eprocurement.synise.com/LIC>

a) No alterations or additions are to be made by the tenderer to the text or the Schedule of these tender papers. Any tender which proposes any alterations to any of the condition/s laid down or which proposes any other conditions of any description whatsoever is liable to be rejected.

b) The tenderer is required to check the numbers of the pages and should any page be found missing or in duplicate, or the figure or writing indistinct, he must inform the Sr. Divisional Manager at once and have the same rectified.
