By way of Demand Draft	Rs. 5,00,000/-										
By way of Bank Guarantee	Rs. 7,00,000/-										
4	Clause D.e- Commercial Bid	Buyback: Buyback Quote for Hybrid Laptops	Buyback: Buyback Quote for Hybrid Laptops and other Laptops as mentioned in the Part-I of Technical Annexure.								

5	Clause F.a	a) Empanelment: The Empanelment of the Vendors will be valid upto <u>31/12/2023</u>. Although the validity of the empanelment will be upto <u>31/12/2023</u>, LIC may, at its discretion, extend/reduce the validity period of the empanelment for a maximum period of one year. All existing RFPs and extension, Techno Commercial quotes to be called if applicable / Annual Maintenance Contract (AMC) if any, will continue to be valid till the validity period of the respective RFPs/ agreements / extension period, irrespective of this empanelment exercise.		a) Empanelment The Empanelment of the Vendors will be valid upto <u>31/12/2023</u>. Although the validity of the empanelment will be upto <u>31/12/2023</u>, LIC may, at its discretion, extend/reduce the validity period of the empanelment for a maximum period of one year. LIC may also decide, at its discretion, to undertake a fresh empanelment exercise any time before the expiry of validity period. During the above empanelment period LIC may call for quotes for contingent purchase of any items. All existing RFPs and extension, Techno Commercial quotes to be called if applicable / Annual Maintenance Contract (AMC) if any, will continue to be valid till the validity period of the respective RFPs/ agreements / extension period, irrespective of this empanelment exercise.
	Clause F.b	b) Approved Rates Under RFP: The rates approved by LIC will be valid for 12 months from the date of the Online Reverse Auction where there was a final price discovery. The selected bidder(s) should ensure that the hardware items quoted will be available for supply for Purchase Orders issued up to <u>31/12/2021</u>. If, at any time during this period, those hardware items with the configuration quoted are not available, the vendor should supply hardware items with equivalent or higher configurations at the approved L1 rates only, subject to evaluation/ OEM certificate wherever required and approval from LIC. In case the hardware item has weight as one of the specifications, higher specifications would mean a lesser weight. Similarly, the spares which includes battery, adaptor, SSD, Motherboard, Display screen, keypad and any other spares of the supplied		b) Approved Rates Under RFP: The rates approved by LIC will be valid for 12 months from the date of the Online Reverse Auction where there was a final price discovery. The selected bidder(s) should ensure that the hardware items quoted will be available for supply for Purchase Orders issued up to <u>31/12/2021 or further if there is any extension</u>. If, at any time during this period, those hardware items with the configuration quoted are not available, the vendor should supply hardware items with equivalent or higher configurations at the approved L1 rates only, subject to evaluation/ OEM certificate wherever required and approval from LIC. In case the hardware item has weight as one of the specifications, higher specifications would mean a lesser weight. Similarly, the spares which includes battery, adaptor, SSD, Motherboard, Display screen, keypad and any other spares of the supplied touchscreen lightweight laptops under the scope of this RFP shall be available for a period of SIX/SEVEN years, from the date of placing of the Purchase Order (PO).

		touchscreen lightweight laptops under the scope of this RFP shall be available for a period of SIX/SEVEN years, from the date of placing of the Purchase Order (PO).		
6	Addition of Clause 11.e	-		Proof of Concept LIC will conduct a Proof of Concept (POC) of the line item developer laptop that is LP-1D-1 Laptop without windows to test for compliance to RHEL, SOA and Glassfish, as mentioned in the Technical specification(Annexure-I). The bidder has to provide the model/s quoted on or before the date of submission of Bid for conducting the POC and the model should be RHEL certified. The bidder has to demonstrate the installation of RHEL 7.4 along with MySQL, MF SOA server/ Server Express, Glassfish Server & Netbeans. POC will be conducted for LP-1D-1 (Without Windows Linux Laptop) at LIC premises and the Bidder should demonstrate the installation of RHEL 7.4 successfully. Upon installation, the bidder has to demonstrate all the said software running successfully. All POCs have to be conducted in LIC's premises and the period of POC will be decided by LIC. All the required software will be provided by LIC. All the drivers required

						for the installation of above mentioned software will have to be provided by the Bidder. Based on the outcome of the POC, LIC will decide on the procurement of the LP-1D-1 (Without Windows developer) laptop and the placing of Purchase Orders. It is compulsory that the model that will be supplied by the Vendor to all the locations will be the same model on which successful POC was conducted at the LIC premises and approved by LIC. If POC is not successfully completed for the LP-1D-1 laptop, the clause D.d.iii, regarding supply of H1 models which are technically qualified and has completed successful POC will become applicable.
