Re: **RFP for Two Factor Fingerprint Biometric Authentication**

Reference No.: LIC/CO/IT-BPR/2FA/2018-2019 dated 11/03/2019

This is with reference to the RFP released by the Life Insurance Corporation of India as per reference captioned above. The following conditions stand modified as given herein under:

S.No.	Clause of RFP	Existing condition	Modified condition
1	Section 2.30.2 & Page No.22 Proof of concept Point No.(d)	LIC may engage the services of a suitable Information Security agency to test the devices found operationally convenient, and compatible for 1) live finger detection and rejection of gummy/fake fingerprints and 2) firmware-level encryption features.	Page No.22 , Section 2.30.2 & Proof of concept Point No.(d) Point No.2 stands deleted
2	Section 2.30.3 & Page No.23 Point No.(c)	The price quoted by the bidders should not exceed the price available for the quoted devices in the DGS&D/NICSI rate contract. A declaration to this effect should be provided in the technical bid.	DGS&D/NICSI to be replaced by GeM (Govt e-Marketplace)
3	Cl.2.36	LIC reserves the right to incorporate standard contract provisions and the contract shall at all times be compliant to: "Contract Agreement for Selection of System Integrators/ Implementation Agencies" http://deity.gov.in/content/rfp-standardization-model-rfps-and-guidance-notes	URL to be replaced by https://www.meity.gov.in/wwritereaddat/files/model_rfp_for_selection_of_implemenimplem_agencies-2018.pdf
4	Page No 27, Section No : 2.37.4	It will be the responsibility of the bidder providing fingerprint devices to ensure the compatibility of its device driver/ software with all version of MS Windows XP and above, Linux RHEL 5.4 and above, Android and iOS family of operating systems as well as with the biometric authentication engine procured under this RFP	Windows XP to be replaced with Windows 7 and iOS stands deleted from the condition
5	Page No 31 - Eligibility Criteria- B -1	The Bidder should have registered standalone revenue of at least Rs.20 crores each year in the last three accounting years preceding the date of release of this RFP.	The Bidder should have registered standalone revenue of at least Rs.20 crores in the any two of the three accounting years preceding the date of release of this RFP.
6	Page No.32 Point No.3	The biometric authentication engine should support minimum 1000 authentications per second - Benchmark or Certificate from the biometric authentication engine OEM with configuration details	The condition stands deleted. As the Biometric authentication Engine will be provided by LIC.
7	Section 5.1 & Page No.50 Point No.(o)	The client machines could be thin clients/desktops/laptops currently working on all versions of RHEL 5.4 or above, Windows XP and above which should be supported by the	Windows XP to be replaced with Windows 7

		proposed 2FA SDK/APIs.	
8	5.2.(b) page 51	The bidder would ensure that fingerprint scanners are compatible with all versions of Red Hat Enterprise Linux desktop versions 5.4 or above, Microsoft Windows XP or above, and also on all future versions of the abovementioned operating systems, without any extra cost to LIC.	Windows XP to be replaced with Windows 7
9	5.2.(c) page 51	Fingerprint Device should mandatorily have firmware-level encryption and Live Finger Detection capability.	Fingerprint scanner should have signing and encryption as well as Live Finger Detection capabilities.
10	Page 52 , 5.2 point 13 of table	Encryption of fingerprint template Using unique foreign key	Fingerprint scanner should have signing and encryption as well as Live Finger Detection capabilities.
11	Page 52 , 5.2 point 3 of table	Image Acquisition Requirements	Setting Level 31 or higher OR PIV
12	Page 52 , 5.2 point 20(3) of table	Copy of EFTS/F certification with current validity	Copy of EFTS/F or FBI PIV certification with current validity
13	Annexure II - Point 9	The bidder should have implemented the proposed 2FA Solution (authentication engine, de-duplication engine, etc.) which supports minimum 5,000 fingerprint devices in any three Indian BFSI or PSU or Government departments/ autonomous bodies in last five years prior to the date of this RFP.	The bidder should have implemented the proposed 2FA Solution (authentication engine, de-duplication engine, etc.) which supports minimum 5,000 fingerprint devices in any three Indian BFSI or PSU or Government departments/ autonomous bodies in last five years prior to the date of this RFP. Deployed solution in any of the projects should have capability to support upto 1.50 lakh biometric fingerprint devices and 1000 concurrent users from central matching or de-dup engine.
14	Annexure-V.B.19	Whether the proposed Biometric scanner device uses USB connectivity with at least 2 meters cable.	Whether the proposed Biometric scanner device uses USB connectivity with at least 1 meter cable.
15	Annexure-XI - Indicative Commercial Bid		Revised Annexure - XI is attached.
16	Chapter 8 - Warranties, Support & Training		The warranty for existing Cogent CSD 200 devices should be read as AMC for Cogent CSD 200 devices wherever applicable.

These amendments will form the part of RFP for Two Factor Fingerprint Biometric Authentication (Ref: LIC/CO/IT-BPR/2018-19 dated 11.03.2019). All the bidders are requested to take note of the amendments and respond accordingly.

Executive Director (IT/BPR)
