

RFP for Supply, Installation and Maintenance of Desktops, Dot Matrix Printers, All-in-One Desktops and Laptops and MS Office Standard RFP REF: LIC/CO/IT-BPR/HW/2021-2022/04 Dated: 24/09/2021.

CORRIGENDUM – II

Following clarification is being issued under the above referred RFP. The bidders are to note that this clarification shall form an integral part of the above referred RFP and resulting contracts, if any.

Sr. No.	Clause ref.	Clause (in brief) of RFP requiring clarification (s)	LIC Clarification/ modification in clause (highlighted in bold)
1	Clause C.12.e, page 12	The Bidder should quote only those products which will not be declared end-of- life during 20 months from the date of submission of the bid. In case any of the model(s), quoted by the bidder and approved by LIC, becomes End of life, before completion of twenty months, the bidder shall provide model of higher configuration, if approved by LIC, without any escalation in cost. However, such request for change of model can be considered after a minimum period of 15 months from the date of submission of bid and on payment of evaluation fees of Rs.5,000/-. In any case, whether the selected bidder offers models with specifications mentioned in technical bid or other equivalent or higher specifications, LIC reserves the right to evaluate the model before placing the purchase order. In case the selected bidder is allowed to supply hardware of higher specifications, it will not attract any additional commercial benefit / payment from LIC.	The Bidder should quote only those products which will not be declared end-of- life during 16 months from the date of submission of the bid. In case any of the model(s), quoted by the bidder and approved by LIC, becomes End of life, before completion of Sixteen months, the bidder shall provide model of higher configuration, if approved by LIC, without any escalation in cost. However, such request for change of model can be considered after a minimum period of 12 months from the date of submission of bid and on payment of evaluation fees of Rs.5,000/-. In any case, whether the selected bidder offers models with specifications mentioned in technical bid or other equivalent or higher specifications, LIC reserves the right to evaluate the model before placing the purchase order. In case the selected bidder is allowed to supply hardware of higher specifications, it will not attract any additional commercial benefit / payment from LIC.

2	Clause F.1.a, Page 37	a)Supply, installation, and commissioning of Computer systems (Desktop Computers, Dot Matrix Printers, All-in-One Desktops and Laptops , and / or solution specific hardware and Hardware components) along with Operating System as per specifications in the Technical Annexure, at LIC's Central Office locations and Zonal Offices, Divisional Offices and Branch Offices and all other units under these offices in India. Installation and commissioning includes data transfer from existing PCs/Laptops to new PCs/AIO Desktops/Laptops at LIC premises and installation of drivers, installation of antivirus in all types of PCs and Laptops, configuration of Active Directory and upgradation of firmware of the connected peripherals in such a way that the user is able to perform all his official work seamlessly. In case the OS and other software are provided by LIC, no additional charges shall be paid to the Vendor for installation/ reinstallation of any software/ OS.	a)Supply, installation, and commissioning of Computer systems (Desktop Computers, Dot Matrix Printers, All-in-One Desktops and Laptops , and / or solution specific hardware and Hardware components) along with Operating System as per specifications in the Technical Annexure, at LIC's Central Office locations and Zonal Offices, Divisional Offices and Branch Offices and all other units under these offices in India. Installation and commissioning includes data transfer from existing PCs/Laptops to new PCs/AIO Desktops/Laptops at LIC premises and installation of drivers, installation of antivirus in all types of PCs and Laptops (Linux and Windows), configuration of Directory services (Linux and Windows) and upgradation of firmware of the connected peripherals in such a way that the user is able to perform all his official work seamlessly.
