- (d) **Envelope marked as IV :** All the three envelopes shall be placed in envelope marked – IV and sealed (i.e. Envelopes marked as IV , will contain three envelopes marked as I , II & III) and submitted to LIC of India, in sealed condition “ Superscripting as Tender for SITC of 7.5 KVA ,25KVA, & 82.50 KVA NEW D.G set on hire basis” at DO-II Jaipur will be opened on 21.02.2017 at 15.00 Hrs.

GENERAL TERMS & CONDITION

The scopes of services and terms & conditions for hiring the D.G. Set are as under:

1. The terms and conditions along with the instructions will form part of the tender to be submitted by the tenderer to LIC of India, , herein termed as Corporation.
2. Tender which is received on account of any reason whatsoever including postal delay etc. after the expiry of time and date i.e 21.02.2017 upto 12.30 pm fixed for submission of tenders shall be termed as **‘LATE’** tender and not to be considered. Such tender shall be returned to the concerned party without opening the same.
3. All Firms / Agency are requested to submit the tender documents (Technical Bid and FINANCIAL Bid) duly filled in with the relevant documents / information at the following address:

Divisional Office – II “ Nangi Plaza, Anita Colony Oppo. Gandhi Nagar Railway Station, Jaipur -302017 Tel:2713702/2713703/2713704

4. All columns of the tender documents must be duly filled in and no column should be kept blank. All the pages of the tender documents are to be signed by the authorized signatory of the tenderer. Any over writing or use of white ink is to be duly initialed by the tenderer. The Corporation reserves the right to reject the incomplete bids and bids lacking in details and without signatures.
5. The offer should remain valid at least for a period of 45 (Forty five) days to be reckoned from the date of opening of "Technical Bid".
6. There should not be any deviation in terms and conditions as have been stipulated in the tender documents. However, in the event of imposition of any other condition, which may lead to a deviation with respect to the terms and conditions as mentioned in the tender document, the vendor is required to attach a separate sheet marking "list of deviations".
7. The Technical bids will be opened on (Date & Time) in the presence of tenderers at our above office. All tenderers are advised in their own interest to be present on that date, at the specified time. Canvassing in any form will disqualify the tenderer.
8. **Income-Tax and Statutory clearances shall be obtained by the vendors at their own cost as and when required. All payments to the successful vendor shall be made by N E F T only.**
9. In case the space in the tender document is found insufficient, the bidder may use separate sheets to provide full information.
10. The financial bids will be opened only if at least two Technical Bids are found suitable. In any case single Financial Bid shall not be opened.
11. Rates are to be quoted for running the D.G.Set monthly including rental charges for each rating of D.G. Set complete with all accessories on hire basis in sealed cover (Envelope – II), super scribing the rating of D.G. set.
12. The operator provided by the supplier, should possess the requisite & valid electrical License, for running D.G.Set.
13. All cost for maintenance and servicing of the generator including the cost of spare Parts and periodical replacement of Mobil oil are to be borne by the D.G.set contractor.
14. The D.G. Sets should be maintained properly to keep those in satisfactory running condition at all times for supplying emergency power for a load at least 90% of rated output of respective generators.
15. The permission of statutory authorities towards installation of D.G. Sets, will be obtained by the supplier of D.G. Set at their cost.
16. The arrangements for providing accessories like cables, change-over switches etc., if required, will be made by the contractor at their own cost DURING ENTIER AGREEMENT PERIOD.

17. The arrangements for providing exhaust pipeline of the D.G. Set, as per requirement & specification of Statutory Authorities, will be made by the contractor at their own cost during entire agreement period.
18. Mending of any damage caused to the LIC property during loading, unloading of the D.G. Set in LIC premises at the time of installation or taking out D.G set from LIC premises will be done by the contractor to original finish, at their cost.
19. The successful bidder should install and commission the D.G. Set in LIC premises within 45 (Forty five) days from the date of awarding the contract.
20. Electricity Duty, if any, payable to the State Govt., depending on running hours of the D.G. Set shall be borne by the contractor. Installation of the energy meter with its calibration and registration with the Statutory Authority, shall be done by the contractor at their cost.
21. The contract shall remain in force initially for a period of three years from the date of installation and satisfactory commissioning of the D.G. Set at site. However, the contract is subject to termination at any time if the services are not found satisfactory or for any other reason whatsoever by serving three calendar months notice on either side. Also LIC of India can terminate the contract by serving three calendar months notice if the services of DG set are not required. The contract may be renewed for further period at mutually agreed rates / charges and keeping other terms & conditions unchanged, depending on satisfactory services rendered by the generator supplier and requirement of the office.
22. In case of any major break-down of D.G. Sets requiring repairing time for more than one day, an alternative interim arrangement will be made by the generator provider immediately by providing a substitute generator of adequate capacity at no extra cost. or non-functioning of the D.G. Set or in the event of failure on the part of the generator supplier to provide an alternative interim generator of adequate capacity, within one day during power failure / load shedding, penalty deduction shall be made based on OT rate for running of DG set beyond normal hours and if the same is not restored within 24 hours, corporation will be free to hire another DG set from the market at the risk and cost of contractor limited to double the amount quoted by the contractor.
23. **Tenders should be submitted along with the requisite Earnest Money Deposit amount in the prescribed mode. Tenders submitted without Earnest Money Deposit will be summarily rejected. The Earnest Money will not bear any interest.**
24. The successful bidder will also have to remit performance Security Deposit by DD / Pay Order / Banker's Cheque for an amount equal to 5 % of accepted tender amount of a year within 15 days from the date of issue of acceptance letter. Work order for commencement of the work will be issued separately within seven days after the contractor remit the requisite performance Security Deposit. If the successful bidder agrees to convert the EMD amount to Security Deposit, in that case the contractor shall have to deposit an amount equal to 5% of accepted tender of a year less EMD

amount deposited along with the tender within 15 days from the date of issue of acceptance letter.

Please note that the Security Deposit will not bear any interest and the same will be refunded to the contractor within 45 (Forty five) days after the closure of the contract.

25. The successful bidder will have to execute an Agreement with the LIC of India, on Non - judicial stamp paper of requisite value and as per the draft of Agreement to be provided by the LIC of India, within 14 (Fourteen) days from the date of issue of work order for commencement of the work. No payment will be made until the Agreement is executed. Please note that necessary instructions for payment will be issued to concerned Divisional / Branch Office only after execution of agreement.
26. In case the successful bidder remit the full amount of Security Deposit (i.e. 5 % of estimated annual rent of a year by DD / Pay Order / Banker's Cheque) in that case their EMD amount will be refunded after execution of the Agreement .
27. The deployment of operator for running the generator should comply with the Labour Legislation Act. and Minimum wage Act of Govt. of India and the State Govt.
28. The contractor will have to remove the D.G. Set from the LIC premises within 07 (Seven) days from the date of termination or closure of the contract at their cost , else demurrage charges @ 1000/- (Rupees One thousand only) per day will be levied by the LIC of India, on the contractor. The D.G. set shall have to be run in the event of load shedding / power cut / breakdown / single phasing / erratic power supply from supply Co. on all working days.
29. Normal working hours on all working days shall be as under.
From Monday to Friday - 9.30 AM to 6.00 PM.
Saturday -- 9.30 AM TO 2.30 PM
30. Please note that D G set shall comprise Diesel Engine make (**As mentioned in BOQ**) coupled with Alternator make(**as mentioned in BOQ**) O.E.Ms will only be accepted. The approval of make of Engine, Alternator & Enclosure must be obtained well before procurement. If the tenderer wishes to procure the D.G.Set other than approved make, they must submit the proposal along with copy of certification as mentioned & obtain approval of Chief Engineer / Sr. Divisional Manager well before procurement of D.G. Set. If at any stage it is found that DG set provided is not of our approved make, LIC reserves the right to ask the contractor to remove the DG set & provide new DG set as per approved makes.
31. The successful tenderer has to submit copies of invoices after procurement of D.G.Set. The name, address & phone no. of service centre shall also be mentioned.
32. Hiring charges shall be payable from the date of commissioning / date of energizing the electrical installation.
33. The quoted rate for running the D.G set on monthly hire basis shall be inclusive of cost of DG set installation, operation (including operator) , cost of diesel price prevailing in the market at the date of

opening of tender, lubricant, maintenance, tools, security etc. complete required for D G set operation.

Please note that any variation (Increases / Decreases) in the price of diesel will be considered for payment / recovery as per the Govt. notification issued for diesel price.

34. **Price adjustment for the cost of running of DG set due to variation in diesel price-** Price adjustment shall be done on the basis of actual consumption of diesel for operation of DG in a given period. For adjustment on account of price variation in diesel price, quantity of diesel consumed shall be determined on the basis of standard fuel consumption chart on different percentage of load, supplied by the standard DG set manufacturer (As mentioned in BOQ.).
35. **A Log book diesel shall be maintained for recording the daily running of DG set including over time which should be signed by authorized representative of LIC.**
36. The rate quoted shall be written in **FIGURES & WORDS** both & if there are any corrections same shall have to be initialed by the contractor. **Please note that quoted rates shall be inclusive of all prevailing taxes viz I.T., S.T. , Work contract tax or any other taxes , duties , levies etc as applicable excluding the service tax & nothing extra shall be paid on any account.**
The rates quoted shall be exclusive of Service tax but inclusive of VAT and all other statutory taxes, octroi, Labour Cess and transportation, loading & unloading charges & Nothing extra shall be payable.
Service tax (contractor's part) shall be reimbursable subject to the production of documentary proof by the contractor for the payment made to the statutory authorities. Liabilities towards service tax for contractor and employer shall be in accordance with relevant provisions of the Finance Act 2012 or any amendment issued by concerned authority from time to time. Tax recoveries i.e. Income Tax / Trade Tax shall be made as per the prevailing rules
37. Bill shall be submitted in triplicate in the first week of the following month along with the **Xerox copy of Log book, diesel rate bill and original log book** for certification and settlement of the bill. The payment will be made after deducting the Income Tax and Works contract Tax etc. at source as per the rules from the running bills. **No payment will be made until the Agreement is executed.**
38. If required Tenderer has to submit necessary approval from pollution control board / Directorate of electrical safety without any extra cost to LIC. Sound and pollution level shall be maintained within the prescribed limits.
39. Successful tenderer has to obtain policies to cover T.P., Fire and W.C. Insurance cover of suitable amount for each policy which shall remain in force till the contract, period and extension if granted. No payment shall be released, if the insurance lapses during contract period.
40. Tenderers are requested to visit to the site of work before quoting their rates.
41. The essential service electrical load shall be connected to D. G. set.

42. Agency has to arrange suitable foundation, earthing with copper earth plate and suitable size cable up to changeover switch provided in panel etc. as per relevant IS – Code which has to be certified / confirmed by the Engineer. Nothing extra shall be paid in this regard.
43. Unauthorized supply of power to other agency / firms from the D.G.set installed at our premises if any are found , penal action will be taken against the vendor as deemed fit.
44. LIC shall not be responsible for any injury partial or permanent or death of any worker at site due to accident or any other reasons or by personal negligence of the staff of the contractor. LIC of India, will remain indemnified by the contractor on this account.
45. The firm shall be fully responsible for any liability / compensation in case of any accident or otherwise any untoward incident at his own risk for the staff deputed by the firm and LIC shall not give any compensation.
46. First Aid box shall be arranged by the contractor at site of work at their cost.
47. Timing may change according to the LIC's requirement.
48. The contractor shall not sublet the contract to any other party / contractor.
49. Contractor shall be solely responsible for payment of wages / salaries and allowances to his personnel that might become applicable under any Government order. LIC of India shall have no liability whatsoever in any manner.
50. For running the generator beyond the schedule hours , permission in writing shall be taken from the LIC of India and a copy of the same shall be produced while claiming the overtime charges.
51. LIC will provide suitable space for installation of D.G.set but other infrastructures to be arranged by the vendor.
52. The following tests shall be performed at manufacture's outlet prior to packing & dispatch to site :-
 - (a) Load test at full load 50% load , 75% and 110% overload.
 - (b) Fuel consumption at full load , 75% load , 50% load and 25% load.
 - (c) Other routine test as per IS / BS on alternator , exciter and AVR. Original copies of the
 - a. test certificates shall be submitted to LIC of India.
 - (d) Noise level measurement.
53. In case of dispute, the matter shall be settled mutually, failing which the decision of the Chief Engineer / Sr D.M. LIC of India, shall be final and binding on the bidders.
54. LIC of India, reserves the right to accept any tender or to reject any or all tenders at his sole discretion without assigning reasons whatsoever. The tender inviting authority does not bind to accept the lowest tender.
