Corrigendum 2 to EOI for Consultancy for Digital Transformation

Date: 07.01.2022

Sr.No.	EOI Document Reference (Section & Page Number)	Clause (in brief) of EOI requiring clarification (S)	Brief Details / Query in reference to the clause	Corrigendum 2
1	Corrigendum 1 Technical Criteria Section 3.2 (3) & Page no. 8	Number of Specialised Resource on payroll in India: Subject matter Expert-Global Insurance Technology Expert, Insurance Business Process Expert --2 Marks for each professional subject to maximum of 20 marks	We request clarity from LIC that all professionals as Project Director, Program Manager and Subject Matter Expertise been sought should be from insurance domain. The clause right now only asks for global experts (20 marks) to be from insurance domain, however India based experts (40 marks) are not mandated to be having insurance domain experience	Technical Criteria Section 3.2 (3) & Page 8--This sub clause is modified and should be read as below " Subject Matter Expert: Insurance Business Process Expert, Insurance Technology Expert, Global Insurance Technology Expert- --2 Marks for each professional subject to maximum of 20 marks"
2	Corrigendum 1 Technical Criteria Section 3.2 & Page no. 8	Project Leaders should have minimum 15 years of experience in Consultancy and minimum 6-7 years of experience as Project Leader and they should possess Business and /or Technology qualifications from Grade I institutions in India or abroad. For others, each professional should have minimum 8-10 years' experience in consultancy services and minimum 4-5 years of expertise in their respective fields and necessarily have experience in Digital Transformation in Indian/Global Bank and Life insurance Industry	Definition of Grade 1 institute varies from different grading scale and we see ambiguity while defining Grade 1 institute hence we request LIC to amend the clause as by deleting ask of Grade 1 and actually look at India insurance sector experience of the professionals: "Project Leaders should have minimum 15 years of experience in Consultancy and minimum 6-7 years of experience as Project Leader and they should possess Business and /or Technology qualifications"	Project Leaders should have minimum 15 years of experience in Consultancy and minimum 6-7 years of experience as Project Leader and they should possess Business and /or Technology qualifications from reputed institutions in India or abroad. For others, each professional should have minimum 8-10 years' experience in consultancy services and minimum 4-5 years of expertise in their respective fields and necessarily have experience in Digital Transformation in Indian/Global Bank and Life insurance Industry
