

GJSS Candidate Status Tracker – User Guide

Use the Status Tracker to see where your Golden Jubilee Scholarship application stands, what to do if documents are pending, and your division's current selection list.

Logging in

You need two things: your **Application Number** (from your application acknowledgement) and the **Date of Birth** you gave in the application.

1. Open the **Track Your Application** page on the GJSS scholarship website.
2. Type your **Application Number** (digits only).
3. Type your **Date of Birth** as DD/MM/YYYY, for example 05/03/2008.
4. Click **Login**.
5. Your Application Number shows in large letters at the top. Check that it is yours.
6. Click **Logout** at the top right when you finish, especially on a shared or cyber-cafe computer.

After 5 wrong attempts for the same Application Number, login is blocked for 15 minutes. Check your details before trying again.

Application Status tab

This tab opens first. It shows your name, your Divisional Office and the **Current Status** of your application.
