Embedding ESG in our business - building a sustainable future for the communities

LIC has integrated the SDGs with key areas of their business operations. LIC initiatives have ensured a positive contribution to at least 12 of the 17 SDGs

✓ Investments in renewable energy worth INR 6980 croe in India in FY22

VINR 11119 crore invested in the housing sector in India in FY22

✓ Multi-faceted initiatives for upliftment of poor communities

✓ 4.57 MW rooftop solar capacity installed, resulting in reduction of ~3,914 tons of carbon emissions per annum

√Three Green rated buildings constructed.

✓ Contribution by LIC GJF for installation of solar power plant at school hostel building, Vrudhashram, electric crematorium, Eeco vehicles and Eeco Ambulance etc

✓ Proactive identification of relevant environment and ecosystem issues

✓ Other initiatives including tree plantation drives, adoption of public gardens for their upkeep etc.

✓ Contribution towards purchase of Ambulance for transportation and rescue of wild animals in Kanpur Zoo.

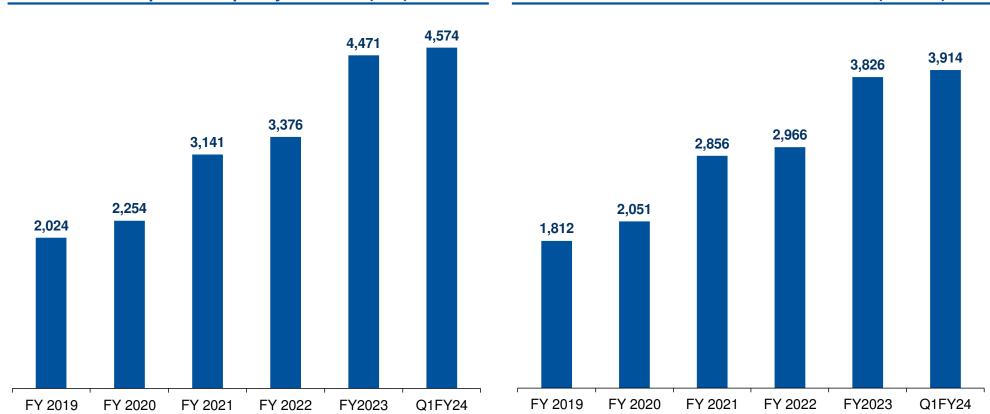

√installation of solar power plant for Elephant Conservation and Care Centre at Mathura, Uttar Pradesh and at Life Time Animal Sanctuary in Village Gopal Khera, Gurgaon which is shelter home for animal rescue and rehabilitation.

Share of Life Insurance in incremental household financial saving

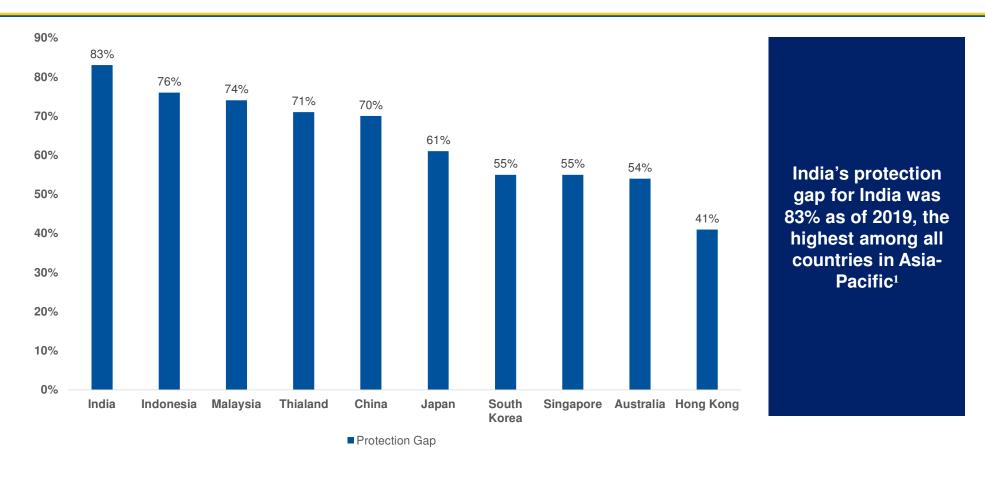

COVID 19 has inclined towards saving and purchasing all- encompassing life covers, which will likely to increase demand for life insurance in India.

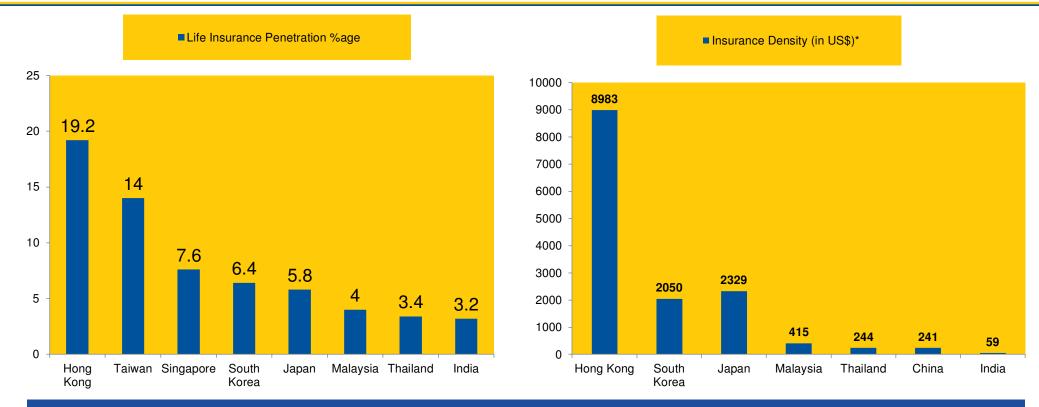

Protection gap for different countries

Low Life Insurance penetration and insurance density² in India

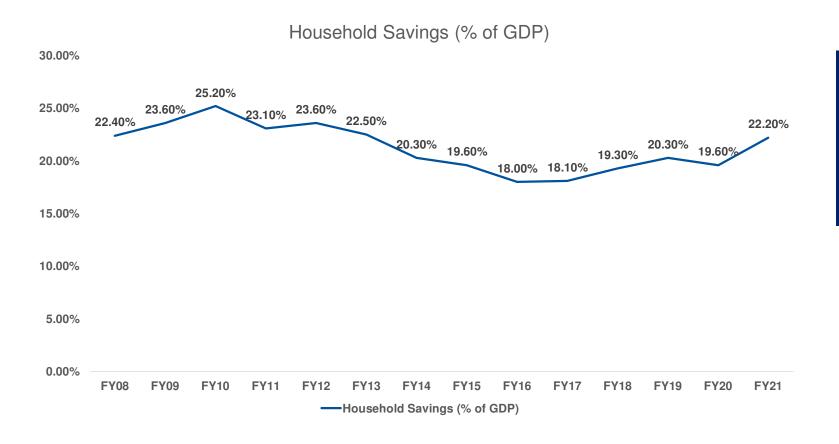

Well Positioned to Ride the Growth in a Highly Underinsured Market Both in Term of Penetration and Density

Household saving to increase

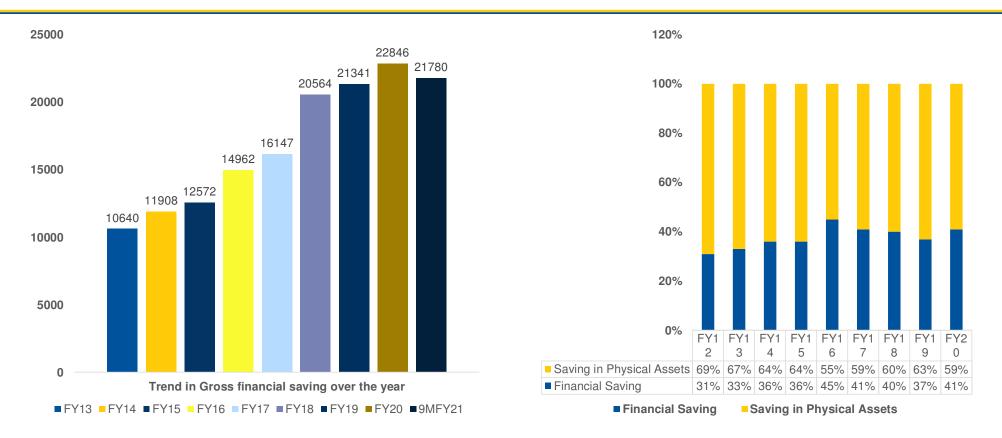

Household saving as percentage of GDP rose to 22.2% in fiscal 2021

Source: CRISIL Research Report for LIC of India

Share of financial assets in overall savings to increase

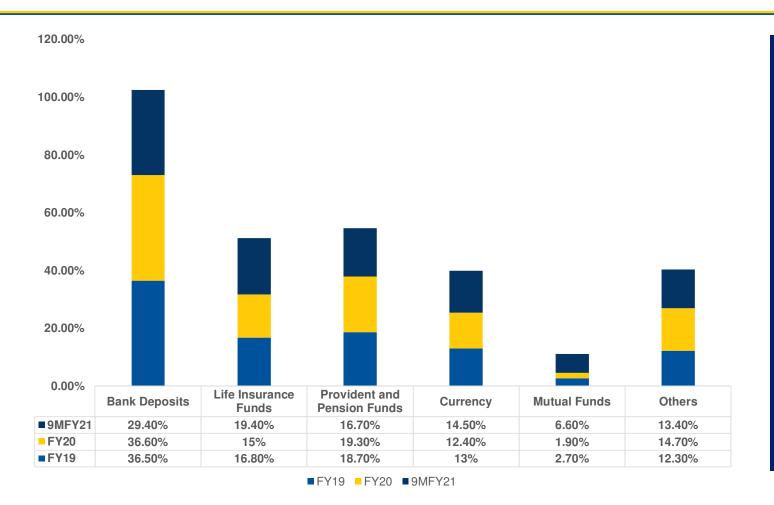

While Households' saving in physical assets has declined to 59% in fiscal 2020 from 69% in fiscal 2012, financial savings has witnessed an uptrend to 41% in fiscal 2020 from 31% in fiscal 2012.
