The Life Assured can pay additional premium in multiples of Rs.1,000 without any limit at anytime during the term of the policy. Any such Top-up, net of the charges specified in the schedule of the policy, shall be used to provide additional units and will not provide any additional risk cover under the policy. **9. Discontinuance of Premiums:**

In case of Regular premium policies, if premium/s have not been duly paid within the days of grace under the Policy, the Policy will lapse. The life assured will have an option to revive the policy within the specified period (described in Condition 12 below).

- i. Where atleast 3 full years' premiums have been paid, the Life cover and Accident Benefit cover, if any, shall continue during the revival period.

During this period, the charges for Life Cover and Accident Benefit cover, if any, shall be taken as usual by cancelling an appropriate number of units out of the Policyholder's Unit Account every month. This will continue to provide relevant risk covers for:

- i) two years from the due date of first unpaid premium, or

The benefits payable under the policy in different contingencies during this period shall be as under:

    - ii) In case the policy is not revived during the revival period, the policy will expire and the Life Cover and Accident Benefit cover, if any, shall cease and charges for these benefits and also other charges shall not be deducted thereafter. Fund value of units shall be refunded to the policyholder.
- ii. Where the policy lapses without payment of at least 3 years' premiums, the Life Cover and Accident Benefit cover, if any, shall cease and no charges for these benefits shall be deducted. - F. **In case of Death:** Fund Value of units held in the Policyholder's Unit Account.
  - G. **In case of death due to accident:** The amount under F above.

Policyholder's Unit Account, shall be payable after the completion of the third policy anniversary.

- I. **Compulsory Surrender:** In case the policy is not revived during the period of revival, then the policy shall be terminated after completion of three years from the date of commencement of the policy or on expiry of revival period, whichever is later. In case the period of revival expires before the end of third policy year, then the fund value of units, if any, shall be converted into monetary terms at the NAV of that day and no charges shall be deducted thereafter. This monetary amount shall be paid to the policyholder after the end of third policy year.

#### 10. Surrender of Policies:

The surrender value, if any, is payable only after the completion of the third policy anniversary. The surrender value will be the Fund Value of units held in the Policyholder's Unit Account at the date of surrender. There will be no surrender charge.

If a Life Assured applies for surrender of the policy within 3 years from the date of commencement of policy, then the Fund Value of units shall be converted into monetary terms at the NAV of that day. No charges shall be made thereafter and this monetary amount shall be paid on completion of 3 years from the date of commencement of policy.

Irrespective of whether the policy is a Single Premium or Regular Premium policy or has run for less or more than three years, if the balance in the Policyholder's Unit Account, at any time is not sufficient to recover the relevant charges, the policy shall compulsorily be terminated and the balance amount in the Policyholder's Unit Account, if any, will be refunded to the policyholder.

Partial Surrender of units shall not be allowed.

#### 11. Days of Grace:

A grace period of one calendar month but not less than 30 days will be allowed for payment of yearly or half-yearly or quarterly premiums. If the death of Life Assured occurs within the grace period but before the payment of premium then due, the policy will still be valid and the death benefits shall be paid after deduction of all relevant charges, if not recovered.

If the premium is not paid before the expiry of the days of grace, the policy lapses and benefits shall be paid as mentioned under Condition 9 above.

#### 12. Revival of Discontinued policies:

If due premium is not paid within the days of grace, the policy lapses. A lapsed policy can be revived during the period of two years from the due date of first unpaid premium or before date of vesting, whichever is earlier. The period during which the policy can be revived will be called "revival period".

If premiums have not been paid for at least 3 years, the policy may be revived within two years from the due date of first unpaid premium. If the life cover is opted for, the revival shall be made on submission of proof of continued insurability to the satisfaction of the Corporation and the payment of all the arrears of premium without interest. The Corporation reserves the right to accept the revival at its own terms or decline the revival of a lapsed policy. The revival of a lapsed policy shall take effect only after the same is approved by the Corporation and is specifically communicated in writing to the Life Assured.

If life cover is not opted for, the revival shall be made on the payment of all the arrears of premium without interest.

If at least 3 years' premiums have been paid and subsequent premiums are not paid, the policy may be revived within two years from the due date of first unpaid premium but before the date of vesting, if earlier. No proof of continued insurability is required and all arrears of premium without interest can be paid, irrespective of whether life cover is opted for or not.

Irrespective of what is stated above, if less than 3 years' premiums have been paid and Fund Value of units held in Policyholder's Unit Account is not sufficient to recover the charges, the policy shall terminate and thereafter revival will not be allowed. If 3 years or more than 3 years premiums have been paid and Fund Value of units held in Policyholder's Unit Account reduces to one annualized premium, the policy shall terminate and Fund Value of units as on such date shall be refunded to the policyholder and thereafter revival will not be allowed.
