Provisions regarding policy not being called into question in terms of Section 45 of the Insurance Act, 1938, as amended by Insurance Laws (Amendment) Act, 2015 are as follows:

1. No Policy of Life Insurance shall be called in question on any ground whatsoever after expiry of 3 yrs from
  - a. the date of issuance of policy or
  - b. the date of commencement of risk or
  - c. the date of revival of policy or
  - d. the date of rider to the policy whichever is later.
2. On the ground of fraud, a policy of Life Insurance may be called in question within 3 years from
  - a. the date of issuance of policy or
  - b. the date of commencement of risk or
  - c. the date of revival of policy or
  - d. the date of rider to the policy whichever is later.

For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which such decision is based.

3. Fraud means any of the following acts committed by insured or by his agent, with the intent to deceive the insurer or to induce the insurer to issue a life insurance policy:
  - a. The suggestion, as a fact of that which is not true and which the insured does not believe to be true;
  - b. The active concealment of a fact by the insured having knowledge or belief of the fact;
  - c. Any other act fitted to deceive; and
  - d. Any such act or omission as the law specifically declares to be fraudulent.
4. Mere silence is not fraud unless, depending on

circumstances of the case, it is the duty of the insured or his agent keeping silence to speak or silence is in itself equivalent to speak.

5. No Insurer shall repudiate a life insurance Policy on the ground of Fraud, if the Insured / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such mis-statement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the policyholder, if alive, or beneficiaries.
6. Life insurance Policy can be called in question within 3 years on the ground that any statement of or suppression of a fact material to expectancy of life of the insured was incorrectly made in the proposal or other document basis which policy was issued or revived or rider issued. For this, the insurer should communicate in writing to the insured or legal representative or nominee or assignees of insured, as applicable, mentioning the ground and materials on which decision to repudiate the policy of life insurance is based.
7. In case repudiation is on ground of mis-statement and not on fraud, the premium collected on policy till the date of repudiation shall be paid to the insured or legal representative or nominee or assignees of insured, within a period of 90 days from the date of repudiation.
8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the insurer. The onus is on insurer to show that if the insurer had been aware of the said fact, no life insurance policy would have been issued to the insured.
9. The insurer can call for proof of age at any time if he is entitled to do so and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof of age of life insured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently.

For Regular premium and Limited premium payment policy, "Sum Assured on Death" is defined as the highest of:

- 7 times of annualised premium; or
- 105% of all the premiums paid as on the date of death; or
- Absolute amount assured to be paid on death.

For Single premium policy, "Sum Assured on Death" is defined as the higher of:

- 125% of Single Premium.
- Absolute amount assured to be paid on death.

Premiums referred above shall not include any extra amount chargeable under the policy due to underwriting decision and rider premium(s), if any.

**Absolute amount assured to be paid on death** shall depend on Death Benefit Option chosen at the time of taking this policy and is as under:

##### o Option I: Level Sum Assured

Absolute amount assured to be paid on death shall be an amount equal to Basic Sum Assured, which shall remain the same throughout the policy term.

##### o Option II: Increasing Sum Assured

Absolute amount assured to be paid on death shall remain equal to Basic Sum Assured till completion of fifth policy year. Thereafter, it increases by 10% of Basic Sum Assured each year from the sixth policy year till fifteenth policy year till it becomes twice the Basic Sum Assured. This increase will continue under an inforce policy till the end of policy term; or till the Date of Death; or till the fifteenth policy year, whichever

is earlier. From sixteenth policy year and onwards, the Absolute amount assured to be paid on death remains constant i.e. twice the Basic Sum Assured till the policy term ends.

For example, Absolute amount assured to be paid on death under a policy with Basic Sum Assured of Rs. X will be Rs. X till the end of fifth policy year, Rs. 1.1X during the sixth policy year, 1.2X during seventh policy year, increasing so on by 10% of Basic Sum Assured each year till it becomes 2X in fifteenth policy year. From the sixteenth policy year and onwards, the Absolute amount to be paid on death will be 2X.

The Death Benefit Option once chosen cannot be changed later.

##### 2. Maturity Benefit:

On survival of the life assured to the end of the policy term, no maturity benefit is payable.

If this rider is opted for, in case of accidental death, the Accident Benefit Rider Sum Assured will be payable as lumpsum along with the death benefit under the base plan.

The premium under this rider shall not exceed 100% of the premium under the Base plan. The Accidental Benefit Sum Assured shall not exceed the Basic Sum Assured on Death under the policy.

The amount opted for by the Life Assured (i.e. Net Claim Amount) can be either in absolute value or as a percentage of the total claim proceeds payable.

The instalments shall be paid in advance at yearly or half-yearly or quarterly or monthly intervals, as opted for, subject to minimum instalment amount for different modes of payments being as under:

Mode of instalment payment	Minimum instalment amount

The interest rate applicable for arriving at the instalment payments under this option shall be as fixed by the Corporation from time to time.

For exercising option to take Death Benefit in instalments, the Life Assured can exercise this option during his/her lifetime while in currency of the policy, specifying the period of Instalment payment and net claim amount for which the option is to be exercised.
