3. Application forms received after the prescribed time limit by the office in which the concerned Development Officer is working are liable to be rejected.

(G) SELECTION OF CANDIDATES FOR PROMOTION:

1. A panel of all eligible candidates will be prepared on the basis of the total marks gained on the three counts, viz.:- qualification, service (seniority) and performance (Average Scheduled First Year Premium Income, Average Number of Lives, Conservation of Business, Agency Organisation, etc.), on allotment of marks as per the Schedule of rating given in Annexure II.
2. The marks (excluding lapse marks) shall be communicated in writing to the Development Officers requesting them to confirm the marks so allotted within 7 days from the date of receipt of such a communication.
3. From this panel, Development Officer shall be considered for promotion in two different categories :
 - (i) Those belonging to Scheduled Castes/Scheduled Tribes.
 - (ii) Other eligible Development Officers.
4. The panel of all eligible candidates under the two categories mentioned in (3) above shall be prepared in the order of merit separately.
5. Lapsation Marks (conservation of Business) will be given in respect of those Development Officers who are to be interviewed. The lapsation marks shall also be confirmed by the applicant within 7 days time from the date of communication of the same.
6. From the panel prepared as per (4) above, the candidates in order of merit equal to five times the number of vacancies shall be called for interview excluding SC/ST where all are to be called. However, all candidates who have secured the same aggregate marks (excluding lapsation marks) as the candidate whose number is equal to exactly 5 times the number of vacancies shall also be called for interview.

(H) RESERVATION:

1. For Scheduled Castes/Scheduled Tribes, the number of vacancies in the Zone reserved shall be in accordance with the rules/instructions issued by the Personnel Department of Central Office from time to time.
2. Specified percentage as stated in H (1) above of the total vacancies in a Zone shall be reserved in the first instance for Development Officers belonging to Scheduled Castes/Scheduled Tribes. The remaining vacancies shall be apportioned to the other category.

(I) LAPSE RATIO AND MARKS FOR LAPSATION:

The Lapse Ratio for reckoning the suitability of a Development Officer for promotion to the cadre of ABM (Sales) shall be the Ratio between (a) the total lapsed premium where payment of full first years premium has not been

received even as on the cut off date i.e. **30.11.2010** out of the Scheduled First Years Premium Income for those completed appraisal years where a period of 12 months or more have elapsed from the date of completion of appraisal year and (b) the SFYPI of the respective Appraisal Year.

Example 1:

If cut off date is **30.11.2010** and Appraisal Year is **1.12.2009 to 30.11.2010**, then the lapsation for the appraisal year **1.12.2009 to 30.11.2010** cannot be determined since a minimum of 12 months have not elapsed from the date of completion of the appraisal year till the cut off date i.e. **30.11.2010**.

Hence, lapse ratio will have to be found out for the appraisal year **1.12.2008 to 30.11.2009** and the immediately preceding two appraisal years viz., **1.12.2007 to 30.11.2008** and **1.12.2006 to 30.11.2007**.

Similarly, for all the appraisals which have fallen due between **12.2009 and 10.2010** also, lapsation can not be determined since a minimum of 12 months have not elapsed from the date of completion of the appraisal year till the cut off date i.e. **30.11.2010**.

Example 2:

If the appraisal year is **1.11.2008 to 31.10.2009**, lapse ratio for this appraisal will be the ratio of the Scheduled First Year Premium Income in respect of policies secured during the appraisal year **1.11.2008 to 31.10.2009** for which full first years premium was not received by **30.11.2010** (say 'p') to the Scheduled First year Premium Income in the appraisal year **1.11.2008 to 31.10.2009** (say 'q') = $p/q \times 100$. (Kindly note that the policies secured during the appraisal year **1.11.2008 to 31.10.2009** which have been revived after **31.10.2010** till **30.11.2010** will be treated as in force for the purpose of calculation of lapse ratio for the appraisal year **1.11.2008 to 31.10.2009**.)

Similarly, lapse ratio is to be calculated for the other two appraisal years, i.e. **1.11.2007 to 31.10.2008** and **1.11.2006 to 31.10.2007**.

Please note that (i) the policies secured during the appraisal year **1.11.2007 to 31.10.2008** which have been revived after **31.10.2009** till **30.11.2010** will be treated as in force for the purpose of calculation of lapse ratio for the appraisal year **1.11.2007 to 31.10.2008** and (ii) the policies secured during the appraisal year **1.11.2006 to 31.10.2007** which have been revived after **31.10.2008** till **30.11.2010** will be treated as in force for the purpose of calculation of lapse ratio for the appraisal year **1.11.2006 to 31.10.2007**.

The lapse ratio calculated for the last completed appraisal year for suitability shall be the basis for granting marks for conservation of business.

The lapse ratio will be determined with reference to Scheduled First Year Premium Income and not with reference to Policies or Sum Assured.

2. It is clarified that for the purpose of calling for interview, the basic marks excluding lapsation marks would be the basis. For the purpose of interview lapsation marks as per the schedule of rating (on conservation of business) will be added to the other marks, to arrive at the total marks for consideration of eligibility and further suitability of the candidate at the time of interview and selection.

(J) INTERVIEW:

- 1) Total marks for interview are 25. A Development Officer who is called for interview under these instructions should obtain minimum of 9 marks in interview to qualify for selection for promotion.
- 2) Cases of Development Officers who do not come in for selection only on the ground of their not getting the minimum of 9 marks at the interview, as also cases of Development Officers coming up for selection only on the basis of getting 19 or more marks at the interview, will be reviewed by the Zonal Manager in-charge of Zone before announcing the final selections. For this purpose, if necessary, the candidates or any of them may again be interviewed by the Zonal Manager in-charge of Zone.

(K) OTHER GENERAL CONDITIONS:

- 1) Development Officers who have not worked within the expense limit applicable to them during the last appraisal year shall not be called for the interview. This will apply even in cases where the non-performance within the prescribed cost ratio stands condoned.
- 2) A Development Officer shall not be promoted, if at any time during the one year preceding the date of publication of notification of promotion, a penalty has been imposed on him under Regulation 39 of the (Staff) Regulations (and/or any disincentives imposed under Special Rules, 2009).
- 3) All cases of non-matriculantes coming up for promotion should be specifically referred to Central Office in the prescribed Proforma (Appendix 'B') for obtaining Chairman's sanction, before promotions are announced.
- 4) Development Officers who were selected for promotion to the cadre of ABM(S) earlier on any occasion but refused the acceptance of promotion (including those who had accepted the promotion but were reverted subsequently to the cadre of Development Officer on their own request) shall be allowed to appear for interview if eligible. However, the Development Officer in such a case shall not be treated as on duty on the day of interview and for the period actually and necessarily spent on to and fro journey between

the place of his/her headquarters and place of interview. Such a Development Officer will also not be entitled to payment of any Travelling Expenses including Daily Allowance for attending the interview. The concerned Development Officer shall have to avail of leave (C.L/P.L./E.O.L) and has to attend the interview at his/her own cost.

5) Special Confidential Reports in addition to Annual Confidential Reports will be obtained from the Divisional Managers in-charge of the Division in the format (Annexure III) in respect of candidates appearing for interview and Confidential Reports duly completed should be submitted to the Interview Committee.

(L) PROMOTION COMMITTEE:

Appointing Authority of Assistant Branch Manager (Sales), (i.e. Zonal Manager in-charge of the Zone) shall constitute Promotion Committee in accordance with Rule 7 of the (Staff) Regulations, 1960. One member of the Promotion Committee should invariably be a member belonging to Scheduled Caste/Scheduled Tribe. This Promotion Committee shall interview the candidates in the selection panel and submit its report to the Appointing Authority of Assistant Branch Manager (Sales) of the Zone. The nominee on the Promotion Committee from Central Office shall be intimated to the concerned Zonal Manager by the Executive Director (Marketing).

While computing service marks, credit of the service for the period of their tenure as ABM (Sales) should be given to those Development Officers who served as ABM (Sales) and were later reverted.

(N) FINAL SELECTION FOR PROMOTION:

1) The ranking list of the candidates recommended for promotion has to be prepared by the Promotion Committee in the order of merit on the basis of total marks gained on all the criteria namely: (i) Qualifications, (ii) Service (Seniority), (iii) Performance (including lapsation marks) and (iv) interview, separately for each of the two categories namely :- (a) Scheduled Castes/Scheduled Tribes candidates and (b) Other Development Officers.

- 2) The Appointing Authority (i.e. Zonal Manager in-charge of the Zone) will consider the recommendations made, keeping in view the review provided for in J(2) above, as per the ranking list and approve the promotions to be effected, in the order of merit in the ranking list to a number equal to the number of sanctioned vacancies for the Zone and such a selection shall be made by the Zonal Manager.
- 3) The Appointing Authority may also require the Promotion Committee to recommend for a 'Contingency List' sufficient in number for each category to fill in the sanctioned vacancies, but not more than 20% of the vacancies.
- 4) In the event of "tie" between two persons for selection if more than one candidate have secured the same mark on account of (i) Qualifications, (ii) Service (Seniority), (iii) Performance, (including lapse marks) and (iv) interview, seniority will be determined with reference to the date of entry into the service as Development Officer and the Development Officer who has entered the service earlier shall get preference. Where the date of entry into the service is common in such cases the inter-se seniority shall be decided with reference to the date of birth duly admitted by us and the senior employee shall get preference.
- 5) The ranking list including Contingency List will remain valid for a period of one year or the next round of promotion by Notification calling for applications, whichever is earlier.
- 6) As regards Rules governing SC/ST in the matter of reservation roster points etc. for appointment as ABM (S) on promotion of a Development Officer the instructions issued by Personnel Department of Central Office from time to time will be followed by Offices.
- 7) If any Development Officer has not worked within the prescribed cost ratio (expense limit) applicable to him in an appraisal year which had fallen due by the time his promotion is to be effected (i.e. after 30.11.2010 but before the promotion is effected), such a Development Officer will not be considered as suitable for promotion (even if the non-performance stands condoned) and the appointing authority before issuing the orders for promotion shall have this verified and issue the instructions on promotion accordingly.
- 8) The Appointing Authority of ABM(S), (i.e. Zonal Manager in-charge of Zones) while effecting promotion for Development Officers to ABM(S) shall ensure that all the relevant appraisals that have fallen due in respect of a candidate have been finalised and the said authority has satisfied that the information furnished by its offices is correct.
- 9) Zonal Manager in-charge of the Zone shall also ensure that the Divisional Offices under his jurisdiction get the lapse ratio computation, duly verified to ensure accuracy and no error has crept in and a necessary certificate is obtained from the Sr. Divisional Manager or Marketing Manager of the concerned Divisional Office.
